	45	b	+

Tom got off the train and as the train left, he realised he was holding the wrong suitcase.

Tom looked around. He didn't see anyone with his suitcase. The railway station was in motion. Everyone was in hurry somewhere and there he stood at a loss. The suitcase was brown. Tom understood why he mixed up the suitcase. His suitcase was light brown. Tom decided to go to his house and look for something in the suitcase that will help find the owner. Tom found in suitcase the passport of the man who lost the suitcase. The man's name is Stefan. Tom looked at the line with the address and went to the address. Tom knocked on Stefan's door. Her name is Katerina. She shouted "Surprise!". After that, it turned out that Katerina and her friend Stefan decided to surprise and they told him that.

That's about how Tom found a new friend.
